State. This Chattram was also closed in about 1928 or one the question of handing over the building to some institution for proper maintenance as a Rest House was considered. The Sri Sri Pundaryak Mutt authorities were reported to have been agreeable to take over this building for making it available for the public in good condition. On the strength of the recommendation of the M.C. to this effect, sanction was accorded to hand over the building in question to the Mutt authorities for being maintained as a Rest House, subject to the conditions mentioned in the G.O. dated 2nd April 1929.

It is now reported that the Mutt is not willing to take the building on the ground that about Rs 700 would be required for its repairs and that the Mutt has not sufficient funds to meet the expenditure. The Village Panchayat of Seeguballi within whose area the Chattram building is located, is stated to be willing to take charge of the building and to maintain it in good condition as a Rest House if it is given free of cost. SIR,

B
Adverting to G.O.No.2184-5/Muz.340-28-2 dated 8-4-29 directing that the abolished chattram building at Mulbagal may be handed over to Sri Sripadarajaswami Matha at the place on certain conditions, I have the honor to state that the Deputy Commissioner, Kolar District, reported that the Matha was not willing to take the building on the ground that the sum of Rs 600/- or Rs 700/- was required for repairs and that the Matha had no sufficient funds etc. The Deputy Commissioner was thereupon asked to state if any local body was prepared to take up the building and maintain it as a Rest House, and if not, whether it would fetch any money if sold in public auction. He states in his letter No.A2-C.553/33-34 dated 2-10-34 (copy enclosed) that the adjoining Village Panchayet of Seegehalli has ²agreed to take charge of the building and to maintain it in good condition as a Rest House if it is given free of cost, and that no one is willing to purchase the building.

In these circumstances, the proposal of the Deputy Commissioner to hand over the building to the Village Panchayet may be sanctioned subject to the same conditions as those enumerated in ~~Government~~ Government Order of 5-4-1929 referred to above. Providing facilities to travellers is one of the discretionary duties assigned to the Panchayet under Section 21 (i) of the Regulation and the proposed transfer is therefore not opposed to statutory provisions.

The records are herewith forwarded for reference.

I have the honor to be,

Sir,

Your most obedient servant,
